April 2020

Dear Sponsor

We are very happy to say the Alliston Hornets have had a very successful year leading the PJHL Carruthers Division for the season and then due to the cancelation of the year because of the Covid -19 pandemic, we were awarded the Carruthers Division Championship based on our play during the year and in the shortened playoff run.

The Alliston Hornet organization is very proud to continue to provide a place for individuals to excel as hockey players and grow as individuals while playing hockey at a very highly skilled level. We are looking forward to next year (hopefully this pandemic is over) as we again have a good core of local players returning.

The Alliston Hornets are a non-profit organization that heavily relies on our local sponsors and fan base. Through your sponsorship, we are able to continue to put a high caliber team on the ice. As an organization, we fully understand that many of you are approached on a daily basis, to sponsor several different events or teams throughout the year. We hope that you will be able to sponsor our team for the upcoming 2020/21 season.

If you would like to discuss sponsorship or have any questions please do not hesitate to contact me directly or anyone on the Alliston Hornets Executive. I have attached the different sponsorship programs for the upcoming season for your review.
